

Worksheet #04

1. Sepehr is newcomer in Canada. He doesn't know what the best cloth for winter is. Develop a program and help him find a best cloth. Use the following rules:
 - If it is Raining and temperature is more than 45, wear a "light weight raincoat" and if temperature is less than or equal to 45, wear "fleece and raincoat"
 - If it is Snowing and temperature is more than or equal to 20, wear a "soft shell jacket" and if temperature is less than 20 and more than 0, wear "down jacket" if temperature is less than or equal to zero, wear "base layer and down jacket"
 - Otherwise wear a "shirt"
